

ELUCIDIAN STARSTRIDER

FACTION RULE

WARRANT OF TRADE

The writ of a Rogue Trader allows them incredible access across the Imperium. With more flexibility than almost any other agents of the Imperium, they barter, intimidate and 'borrow' to gain valuable resources that allow them to enter any engagement with the upper hand.

Up to four times per battle, you can use a **WARRANT OF TRADE** rule (below). Each one specifies when it can be used, and you cannot use the same **WARRANT OF TRADE** rule more than once per battle.

FACTION RULE

PRIVATEER SUPPORT ASSETS

The Starstriders never stray too far from the *New Dawn*. Overhead, its massive batteries of ship-based artillery rain down on enemies, providing invaluable air support.

Once per Firefight phase, when a friendly **ELUCIDIAN STARSTRIDER👤 NAVIS** or **ELUCIDIAN STARSTRIDER👤 ELUCIA VHANE** operative performs the **Shoot** action, you can select one of the following **PRIVATEER SUPPORT ASSET** ranged weapons for it to use. You cannot use each **PRIVATEER SUPPORT ASSET** more than once per battle.

Whenever a friendly **ELUCIDIAN STARSTRIDER👤** operative is using a **PRIVATEER SUPPORT ASSET**, determine cover saves differently. Instead, the target has a cover save if any part of its base is underneath Vantage terrain. Note that while this can affect the target's cover save, you must still select a valid target as normal. In other words, the shot is guided by an operative in the killzone, but it comes from above.
