

HIEROTEK CIRCLE👤 FIREFIGHT PLOY

CORTICAL CONTROL

Crypteks and their Apprentek servants may project their will directly into the minds of their Canoptek constructs, even across vast distances.

Use this firefight ploy when a friendly **HIEROTEK CIRCLE👤 APPRENTEK** or **HIEROTEK CIRCLE👤 CRYPTTEK** operative performs a **SUPPORT** unique action. Until the end of that action, for the purposes of selecting another friendly operative, ignore the distance requirement (only visibility is a requirement).

HIEROTEK CIRCLE FIREFIGHT PLOY

REANIMATED FUNCTION

The continual reanimation of fallen Necrons enables the Hierotek Circle to steadily tighten its grip on its objectives.

Use this firefight ploy when determining control of a marker. Select one of your Reanimation markers. Until the start of the next turning point, whenever determining control of a marker, treat that Reanimation marker as a friendly **HIEROTEK CIRCLE ** operative that has an APL stat of 1. For the purposes of the Martyrs tac op (Approved Ops 2025), this ploy has no effect.

HIEROTEK CIRCLE FIREFIGHT PLOY

LIVING LIGHTNING

Tesla weapons project living lightning that grows in power, leaping between targets as it drains life from the living.

Use this firefight ploy when a friendly **HIEROTEK CIRCLE ** IMMORTAL operative is performing the **Shoot** action and you select a tesla carbine. Until the end of that action, that weapon doesn't have the 2" from its Devastating weapon rule but has the Blast 2" weapon rule.

HIEROTEK CIRCLE FIREFIGHT PLOY

DIMENSIONAL AMBUSH

Shifting between dimensions, a Deathmark reveals its position only when a kill shot presents itself.

Use this firefight ploy during a friendly **HIEROTEK CIRCLE  DEATHMARK** operative's activation, if it has a Conceal order. During that activation, that operative can perform the **Guard** action regardless of the killzone and while it has a Conceal order (see close quarters rules, *Kill Team Core Book*), but when you perform the free **Shoot** or **Fight** action during the interruption, you must change its order to Engage.
