Kroot Farstalkers seek to cut down the most powerful of foes. They will aggressively pursue any enemy they judge worthy and harvest trophies from the corpse.

Once per battle, during a friendly **FARSTALKER KINBAND** operative's activation (excluding **HOUND**), before or after it performs an action, if it's not within control range of enemy operatives, you can use this rule. If you do, add 1 to that friendly operative's APL stat until the end of its activation.
