

KASRKIN

FACTION EQUIPMENT

FOREGRIP

Fitted under the barrel of the gun, this foregrip helps stabilise the bearer's weapon, improving its handling at close range.

Whenever a friendly **KASRKIN**  operative is shooting an operative within 3" of it, ranged weapons on its datacard (excluding weapons that include 'pistol' in their name, e.g. hot-shot laspistol, all profiles of a plasma pistol, etc.) have the Accurate 1 weapon rule.

KASRKIN FACTION EQUIPMENT

LONG-RANGE SCOPE

This weapon is fitted with a marksman's scope, enabling great accuracy even at long range.

Whenever a friendly **KASRKIN**  operative is shooting an operative more than 6" from it, that friendly operative's hot-shot weapons have the Saturate weapon rule.

KASRKIN

FACTION EQUIPMENT

RELICS OF CADIA

Small personal effects remind the Kasrkin of their homeworld, those they have lost, and that which they fight for.

Once per turning point, when a friendly **KASRKIN**  operative is shooting, fighting or retaliating, if you roll two or more fails, you can discard one of them to retain another as a normal success instead.

KASRKIN

FACTION EQUIPMENT

COMBAT DAGGERS

When close combat is required, the Kasrkin turn to their combat daggers in order to silence the enemy.

Friendly **KASRKIN**  operatives have the following melee weapon:

NAME	ATK	HIT	DMG
 Combat dagger	3	4+	3/4
