

PATHFINDER

STRATEGY PLOY

RECON SWEEP

Pathfinders are tasked with reconnaissance roles and are skilled at crossing difficult terrain to outflank unsuspecting targets.

Select one killzone edge (excluding your own). Each friendly **PATHFINDER**  operative that's wholly within 6" of that edge can immediately perform a free **Dash** action in an order of your choice, but each that does so must end that move wholly within 6" of a killzone edge (excluding your own). You cannot use this ploy during the first turning point.

PATHFINDER

STRATEGY PLOY

SUPPRESSING FIRE

T'au Pathfinders lay down a punishing blizzard of fire, forcing their enemies to take cover and fire back in scattered, desperate bursts.

Whenever an enemy operative is performing the **Shoot** action, if the target (the primary target if the weapon has the Blast or Torrent weapon rules) isn't the closest valid target, your opponent cannot re-roll their attack dice. Ignore friendly **PATHFINDER ** operatives that have a Conceal order or are obscured when determining this.

PATHFINDER

STRATEGY PLOY

BONDED

Often trained together from youth and bonded by blood ritual, Fire Warrior teams possess an uncanny degree of coordination.

Whenever a friendly **PATHFINDER ** operative (excluding **DRONE**) is shooting or retaliating with a ranged weapon (see Point-Blank Fusillade firefight ploy), if it's within 3" of another friendly **PATHFINDER ** operative (excluding **DRONE**), that first friendly operative's ranged weapons have the Accurate 1 weapon rule.

PATHFINDER

STRATEGY PLOY

TAKE COVER

Pathfinders are lightly armoured and equipped for mobility. They must use surrounding terrain to their advantage in order to survive.

Whenever an operative is shooting a friendly **PATHFINDER ** operative, if you can retain any cover saves, improve that friendly operative's Save stat by 1.
