

# STONESINGER UPGRADE

## EARTHEN WRATH

A Stonesinger's eldritch gesture can command eruptions of rocky shards or liquefy once solid ground to engulf the foe.

This operative has the following ranged weapon:

| NAME                                                                                          | ATK | HIT | DMG |
|-----------------------------------------------------------------------------------------------|-----|-----|-----|
|  Earthen Wrath | 4   | 3+  | 4/3 |

## WR

Devastating 2, Saturate, Earthen Wrath\*

\***Earthen Wrath:** If the target is in cover, this weapon has the Lethal 5+ weapon rule.
