

HEARTHKYN SALVAGER

FACTION EQUIPMENT

EXCAVATION TOOLS

Powered picks, plasma cutters and pneumatic drills are items of equipment that allow the Hearthkyn Salvagers to extract treasures buried deep.

Friendly **HEARTHKYN SALVAGER ** operatives can perform the **Pick Up Marker** action for 1 less AP, and don't have to control the marker to do so (this takes precedence over that action's conditions — they only need to contest the marker).
