

SCOUT SQUAD

FACTION RULE

FORWARD SCOUTING

Redeploy (1)

Change the set up of one third of your operatives (rounding up).

Reposition (2)

Perform a free **Reposition** action with one friendly operative that's wholly within your drop zone. It must end that move wholly within 3" of your drop zone.

Trip Alarm (2)

Place one of your Trip Alarm markers more than 6" from your opponent's drop zone. During the first and second turning point, whenever a friendly **SCOUT SQUAD**  operative is shooting an enemy operative that's within 2" of that marker, that friendly operative's ranged weapons have the Seek weapon rule. In the Ready step of the third Strategy phase, remove that marker.
