Sorcerous Automata: Whenever this operative is activated, subtract 1 from its APL stat until the end of that activation, unless a friendly **WARPCOVEN** **SORCERER** operative is within 9" of it.

Slow and Purposeful: Whenever this operative is shooting, if it hasn't performed the **Charge** or **Reposition** action during the activation, or if it's a counteraction, its ranged weapons have the Ceaseless weapon rule. Note this operative isn't restricted from performing these actions after shooting.
