

CORSAIR VOIDSCARRED **STRATEGY PLOY**

PIRATICAL PROFITEERS

Any foolish enough to attempt to contest a prize claimed by the Corsair Voidscarred will soon find themselves caught in a blizzard of shuriken fire and sword thrusts.

Whenever a friendly **CORSAIR VOIDSCARRED**  operative is shooting, fighting or retaliating, if it or the enemy operative in that sequence contests an objective marker or one of your mission markers, that friendly operative's weapons have the Balanced weapon rule.
