

NEMESIS CLAW

FACTION RULE

IN MIDNIGHT CLAD

Night Lords are one with the darkness, employing it as an ally and a weapon.

Whenever an enemy operative is shooting a friendly **NEMESIS CLAW**  operative, that friendly operative is obscured if both of the following are true:

- It's more than 8" from enemy operatives it's visible to.
- It has Heavy terrain within its control range, or any part of its base is underneath Vantage terrain.
