FACTION EQUIPMENT

FROST WEAPONS

These blisteringly cold weapons are crafted by a master Iron Priest and boast lethal edges. Some incorporate ice kraken fangs while others are shards of energised diamond, appearing as if forged from purest ice.

Friendly **WOLF SCOUT🐾** operatives' combat blades have the Lethal 5+ weapon rule, and one friendly **WOLF SCOUT🐾** **PACK LEADER** operative's power weapon has the Lethal 4+ weapon rule (if any).
