SLINGSHOT

1AP

▶ Select a point on a terrain feature; that point must be visible to and within 6" of this operative. Remove this operative from the killzone and set it back up in a location it can be placed wholly within 6" horizontally of that point, not within control range of enemy operatives, and with that point visible to it.

◆ This action is treated as a **Reposition** action. This operative cannot perform this action while within control range of an enemy operative, or during an activation in which it performed the **Charge**, **Fall Back** or **Shoot** action (or vice versa).
