RAVAGE DESTINY

1AP

► **PSYCHIC.** Select one enemy operative visible to and within 9" of this operative. Until the start of this operative's next activation, until it's incapacitated or until this action is performed again by a friendly operative (whichever comes first), whenever that enemy operative is shooting, fighting or retaliating, your opponent must re-roll their attack dice results of 6, and whenever determining control of a marker, treat that enemy operative's APL stat as 1 lower. Note this isn't a change to its APL stat, so any changes are cumulative with this.

◆ This operative cannot perform this action while within control range of an enemy operative.
