

SANCTIFIER

FIREFIGHT PLOY

ARDENT ERADICATION

For those who stand against the Imperial faith there is only one punishment: death.

Use this firefight ploy after rolling your attack dice for a friendly **SANCTIFIER ** operative, if it's shooting against or fighting against an enemy operative that's within 3" of a friendly **ORATOR** operative (or 6" if the **ORATOR** is a **CONFESSOR**). You can re-roll any of your attack dice.
