

WRECKA KREW

FACTION EQUIPMENT

GLYPHS

Back-banners, crude markings and glyph-scrawled armour proudly display the Wrecka Krew's favoured method of destruction.

When this item of equipment is selected, also select the Waaagh! or Destruction strategy ploy. The first time you would use that ploy during the battle, it costs you OCP; whenever you would use it thereafter, it costs you OCP if you have any Wrecka points.
