Digital Lasers: Whenever this operative performs the **Fight** action, at the start of the Roll Attack Dice step, you can use this rule. If you do, inflict 1 damage on the enemy operative in that sequence.

Merciless: Whenever this operative is shooting against, fighting against or retaliating against an enemy operative that was already wounded when the action started, this operative's weapons have the Balanced weapon rule; if the weapon already has that weapon rule, it has the Ceaseless weapon rule instead of Balanced.

Disruption Field: Whenever an operative is shooting this operative, ignore the Piercing weapon rule.

Reputation to Maintain: The first time this operative incapacitates an enemy operative during the battle, you can either gain 1 additional CP or use an additional **WARRANT OF TRADE** rule (up to four uses per battle, instead of three). Note that you still cannot use the same **WARRANT OF TRADE** rule more than once per battle.
