## RECONSTITUTION RITUAL

1AP

- ▶ **PSYCHIC.** Select one friendly **WARPCOVEN** ☠ operative visible to and within 6" of this operative. That operative regains up to 2D3 lost wounds.
- ◆ This operative cannot perform this action while within control range of an enemy operative, or if a friendly operative has already performed this action during this turning point.

## TEMPORAL FLUX

1AP

- ▶ **PSYCHIC.** Select one friendly **WARPCOVEN** ☠ operative visible to and within 6" of this operative and place your Temporal Flux marker within that operative's control range.
- ▶ At the end of that operative's next activation, if it hasn't been incapacitated and is still wholly within 6" of your Temporal Flux marker, remove that operative from the killzone and set it back up in a location it can be placed; when it's set back up, it must have your Temporal Flux marker within its control range (or as close as possible). Then remove your Temporal Flux marker from the killzone. If that operative isn't wholly within 6" of your Temporal Flux marker (including if it's incapacitated), remove that marker from the killzone.
- ◆ This operative cannot perform this action while within control range of an enemy operative, or if your Temporal Flux marker is currently in the killzone.
